

Proboscis Monkey & Fire Flies River Cruise

Tour will start at 2 pm in the afternoon, approximately 1½ drive from Kota Kinabalu, to Beaufort town. Upon reaching the wetland, a local Malay high tea is served with coffee and tea, Malay kueh and depart on board to cruise along the river to search for the primate Proboscis Monkey and others wildlife that can be spotted there, Proboscis monkey is the only primate that can only be found in Borneo island, don't miss this chance if you visit to Sabah, Big nose, Big belly and observe them in their habitat is an exciting tour that you won't forget.

Beside this Proboscis monkey also can be found there is the Langur, the Silver Leaf Monkey and Long Tail Macaque. In the river sometimes we can spotted the crocodile and also monitor lizards swim around the area.

There are lots of birds that also can be found there such as Kingfisher, Hornbill , Eagles and lots more.

After the cruise, return back to the jetty and enjoy beautiful sunset while having our local Malay dinner. After dark, cruise along the river again to watch thousand of fireflies along the river and you will fascinating by this nature, it's a natural Christmas tree that you can't see in most of the places in the world. After the fireflies, return back to hotel. Approximately 9 pm will be reaching the hotel in Kota Kinabalu.
