

## Optional Tour

# Kampong Ayer Walking Tour

**Duration: 3 hours**

**Start time: 7:30am and 3:30pm**

### Tour Itinerary

Brunei Darussalam is one of Southeast Asia's oldest monarchy and home to 'Kampong Ayer' one of the largest settlements on water in the world. Around 40 sub-villages consisting of about 8,000 residents of the country's population still reside there, where traditional seafaring activities are sustained.

A visit to the Kampong Ayer Cultural Tourism Gallery museum to see and learn about the unique Water Village lifestyle and then go for a house visit and chat with the villagers themselves for more personal tales whilst having light refreshments. Meander through the mazes of traditional homes to have a firsthand feel of life style living on water, walking back into a world where modern life does not dominate this place from the past but embraces it.

What to bring & wear: Sun cream, hat, umbrella, comfortable walking shoes

Tour inclusive: Transportation, boat, refreshment, mineral water, English speaking local guide, tour as stated.
