SUP TULANG KAKI

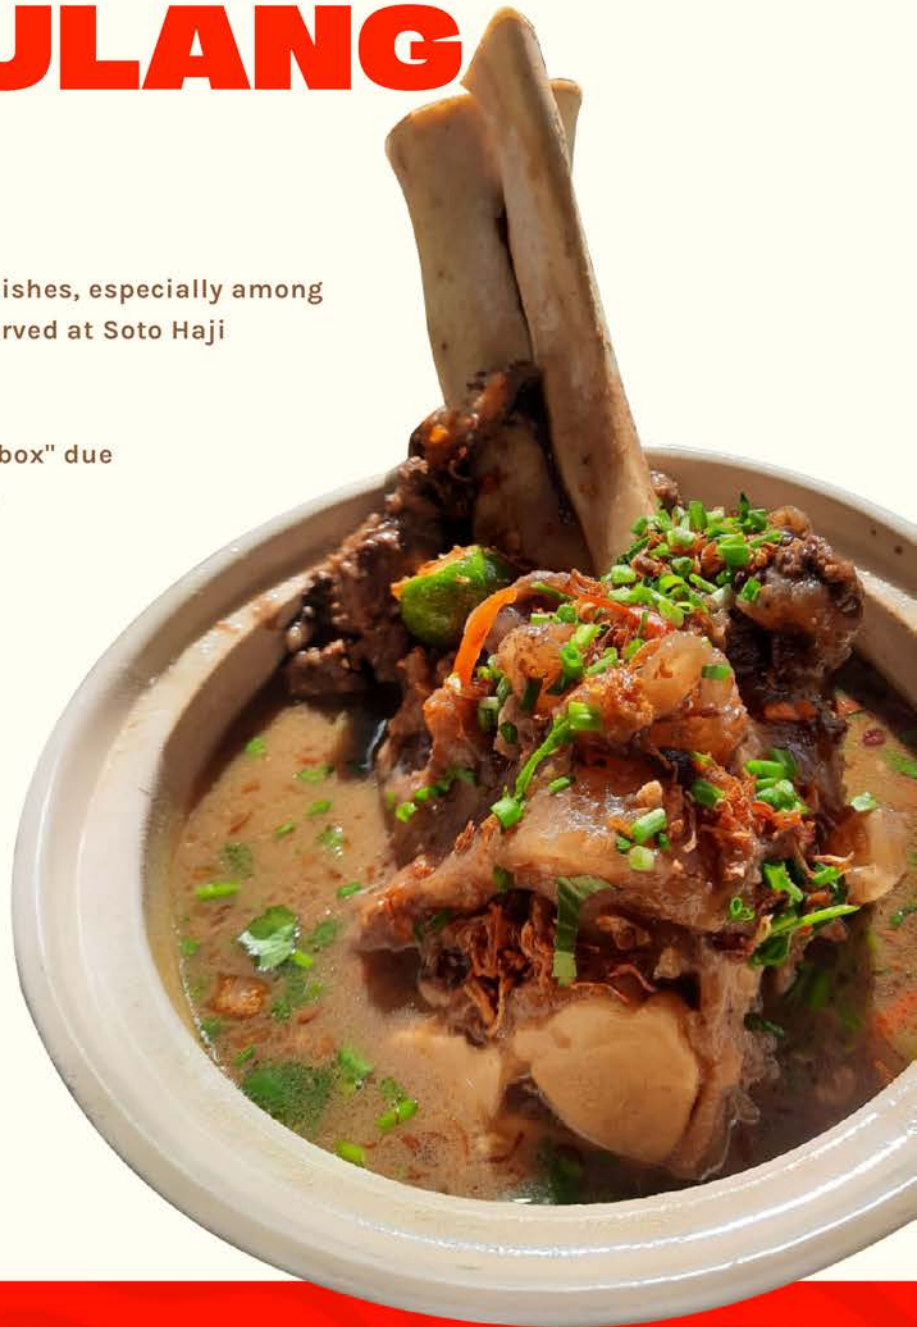

This dish is one of the most popular dishes, especially among soto lovers. It is also a special dish served at Soto Haji Rosli's stall.

Sup Tulang Kaki, also known as "Gearbox" due to its resemblance to a car's gearbox, contains tender meat and tendons, unsaturated fat, and, most interestingly, bone marrow within the bone itself. To enhance the enjoyment of this dish, a rich and flavorful broth is essential, along with garnishes such as spring onions, soup, bird's eye chili, and a squeeze of calamansi lime.

Sup Tulang Kaki can be enjoyed with either noodles or rice, depending on personal preference.

The advertisement features a dark background with a yellow and black striped banner in the top left corner, featuring the Brunei coat of arms. The Coco Cendol logo is in the top right, with the tagline "A timeless classic". The central text "2 for \$4.1 Only" is in large yellow font, surrounded by colorful fireworks. Below this, four cups of Cendol are displayed, each with different toppings: Original (white), Grass Jelly (green), Red Bean (red), and Sweet Corn (yellow). A red ribbon banner across the cups reads "Exclusive 41th National Day Deals". At the bottom, the text "Original, Grass Jelly, Red Bean, or Sweet Corn Cendol" and "23/02/25 until 25/02/25" are shown, along with a note "Go Large Add \$1 only per cup".
